B.Tech, Electronics and Communication Engineering
Address : NO 145, Jayaram Nagar Extension Kambarasampettai
Trichy

Summary

I'm PUDHIIN B, a 4th-year B.Tech student at SRM Institute of Science And Technology, specializing in Electronic And Communication Engineering, Photography, Videography. I excellence in time management. Energetic and adaptable, I'm eager to learn new technologies, flexible with time and people, smart work.

Education

SRM IST-Trichy B.Tech · Electronics and Communication Engineering	2026 CGPA - 7.11/10
Mount Litera Zee School Class XII - CBSE · Physics, Chemistry, Maths, Computer Science · Trichy	2022 Percentage - 68.2%
Mount Litera Zee School Class X - CBSE · Trichy	2020 Percentage - 75.8%

Experience

Stellent Systems PVT LTD Link · Intern · 1 Month	Jun 2024 - Jul 2024 Bangalore India
• Learned about the PLC logic, SCADA program for about 1 month. • Gained hands-on experience in various software programs, increasing proficiency and expanding technical skill set	
Bharath Sanchar Nigam Limited (BSNL) · Intern · 1 week	Jan 2024 - Jan 2024 Trichy, Tamilnadu
• Telecom technologies. • Process Of telecommunication. • Telecommunication Equipment's	
Youth Exchange Immersion Program Link · Delegate	Jul 2023 - Jul 2023 Malasiya
• Participated in a multidimensional program, engaging in educational immersion, industrial visits, and governmental networking. • Engaged in Industrial visits, gaining firsthand experience of business operations and industry dynamics in Malaysia. • Developed skills in cross cultural communication, adaptability, and leadership in diverse settings.	
SRM Institute Of Science and Technology · Secretary	Jan 2023 - Dec 2024 Trichy, TamilNadu
• Photography and Film Making club	
SRM Institute Of Science and Technology · Treasurer	Jan 2025 Trichy, TamilNadu
• Managing budget and financial planning for multiple non technical students clubs. • Contributed the strategic planning of intra-club cultural and social activities.	

Projects

Gas Leakage Monitoring System · Arduino Uno, Gas sensors	Microcontroller & Sensors
• Developed a real-time gas leakage monitoring system using advance sensors like MQ2 (Gas Sensor) and microcontroller Arduino Uno ATmega328P. • It has key features like Automatic gas valve shutdown, Emergency alerts, Power cut-off system, Smart exhaust ventilation.	

Energy Efficient Routing in Underwater Communication for Extended Mission

· Matlab

Wireless Communication

- Developed a MATLAB-based simulation of UWSN using K-Means Clustering technique
- Implemented Cluster Head (CH) selection based on centroid proximity and energy levels to optimize multi-hop routing.

Certifications

"Royal Commonwealth Society" Asia Region | [Link](#)

Royal Commonwealth Society

Represented India as a delegate in "International Immersion and Internship Program" Completed an internship demonstrated adaptability, effective teamwork and a willingness to embrace new ventures.

Workshop Certificate

Oct 2023

Top Engineers Chennai

Data Science And Analysis with Python

Hackathon Certificate | [Link](#)

Dec 2023

SRM SDG Internal Hackathon

Mind Control Wheel Chair

Workshop Certificate | [Link](#)

Mar 2024

Gayanith 2024 NIT Puduchery

Skills

: Microsoft Office, c, c++, Photography, Event Managment, HTML, CSS

Languages

English [Limited Working Proficiency], Tamil [Native Proficiency]
